Farley Printing company recognized by the Delaware State Chamber of Commerce with an Award of Excellence

Each year, the Delaware State Chamber of Commerce honors businesses and nonprofit corporations for their outstanding accomplishments and model approaches to business and management.

The Marvin S. Gilman Superstars in Business Awards, named for one of Delaware's leading small business entrepreneurs, are presented to companies that have been established for at least three years, have no more than 150 employees, and are members of the Delaware State Chamber of Commerce. Winners are chosen in categories based on the number of employees per company. Another award is given to an outstanding nonprofit corporation. Awards of Excellence are also awarded to deserving companies.
